Adaptive Processes Consulting (www.AdaptiveProcesses.com) proudly announces Integrated (ISO 9001, ISO 27001, ISO 20000 and BS 25999) Auditor program.

Benefits of the program

- Learn how to audit multiple standards in integrated, simple yet effective manner
- The program has e-learning associated which are available to our participants free of cost before the program
- Participants come prepared to the class after going through the e-learning and hence there is maximum benefit from the class
- Our course material is of very high quality and is best in the market
- Faculty comes with multiple standard implementations and is a subject matter expert hence you get to learn the real time implementation help.
- We provide sample templates, policies and artifacts from our implementation tool kit which helps people in implementation of the initiatives.
- Classes are conducted over weekend to help participants minimize their absence from work.
- The course is quite exhaustive and focuses solely on the implementation aspects.
- A structured learning environment enhances learning process by a factor of 10
- Reduces effort of learning by at least 5 times
- Participants learn from faculty as well as from each other
- Provides an opportunity to verify if the organization manages management systems initiatives in a similar manner or not
- Opportunity to learn and share best practices that may be hidden inside the organization itself
- Templates, guidelines, checklist part of the QMS, ISMS, ITSM and BCMS Implementation toolkit, developed are from practical experience
- Exposure to industry best practices in auditing on Quality Management, Information security, IT Service management and Business Continuity management
- The program is specifically designed to save time and cost for you.

About Adaptive

Adaptive Processes Consulting is a niche Governance, Risk and Compliance (GRC) solutions. We help our clients in defining, implementing, managing and improving processes which are aligned to world class models and standards like CMMI, ISO 9001 and 27001, PMP, Six Sigma and PCMM. GRCPeak, our Enterprise Governance, Risk and Compliance (GRC) Management System meets complete process and data management requirements for CMMI, ISO 9001, and ISO 9001, ISO 27001, ISO 20000 AND BS 25999. Adaptive has implemented above mentioned standards for clients such as AccelFrontline (ISO 27001 and ISO 20001), Zenith Software (ISO 27001), JuriMatrix (ISO 27001 and ISO 9001), People Tech Group (ISO 27001), and Crossdomain (ISO 27001, HIPAA and BS 25999), Vati Consulting (ISO 9001 and Six Sigma).

Course Highlights:

- Adaptive is a world leader in multi-model implementation consulting organization with more than 100 years of

consulting experience with 100+ clients and 25+ successful implementations

- Saves 5 working days compared to conventional trainings (Each conventional individual Auditor program is 2 working days – This would mean 4 individual programs would have taken 8 working days)
- Cost Effective - Saves over Rs.20000 (Conventional independent Auditor programs – Rs.6000*4 – Rs.24000)
- Faculty with multiple ISO standard implementation and audit experience
- Complimentary eLearning on ISO 9001, ISO 27001, ISO 20000 and BS 25999 and auditing concepts to all participants
- Case study based approach
- Best in class courseware
- Mature programs - 100+ workshops already conducted in Bangalore, Mumbai, Pune, New Delhi, Chennai, Bangkok
- Classes are conducted over weekend to help participants minimize their absence from work
- Individualized feedback on improvement areas for all participants
- Limited batch size of 12 –Personalized attention and feedback

Target Audience:

IT Heads, IT Managers, ISMS Implementers, ISMS lead, ISMS Managers, Information Security Implementers, ISMS Auditors, ISMS practitioners, Quality Managers, Quality Heads, SQA.

Organizations from where participants have participated in our trainings

Sample earlier feedbacks

1. I would definitely recommend this training to others in Accenture!! – Sukirti Sen, Accenture
2. Thanks for conducted wonderful session and shared your excellent knowledge with us. I felt this session was knowledge enhancement for me. Hope it will increase my confidence and perform my roles well in my projects - Chandra Sekhar Challa (Value Labs)
3. Thanks for the class it was very interesting and informative. – Sheeja Abraham, AzkoNobel
4. I am impressed and Appreciate work and efforts put by you, LN and team in making all participants take home the best with them. Would definitely recommend this program to any of my colleagues, Friends - Ashwin Baliga, BA, at Xora Inc
5. Well I really should say that the choice I made was an excellent one. Not just about the trainer and the quality of the course. But the best in all fronts. I guess the difference that it made was also the quality of participants that were involved. It was really very knowledgeable and also would definitely recommend this. - Sai Ratnakar, BA CRM IT
